## ABOUT APPLETON

- Founded in 1986 and located in Boston, MA
- 100% employee owned and operated
- Collaborative, team-oriented culture marked by personnel continuity
- Consistent investment philosophy and process emphasizes quality, liquidity and tax efficiency
- · Commitment to separate account management
- Assets Under Management of \$13.5 billion as of 2.3.2025

#### STRATEGY OVERVIEW AND OBJECTIVE

- Concentrated, high conviction strategy typically comprised of 20-25 positions.
- Active, research-intensive investment process seeks to earn risk-adjusted returns above those of the benchmark.
- Invests primarily in companies with market capitalizations >\$10 billion.
- Equally weighted active share position sizes relative to the S&P 500.
- · Sector exposure is not constrained.

# INVESTMENT PHILOSOPHY & PROCESS

Employs a layered investment approach combining top-down macroeconomic research, bottom-up security specific research, and a technical overlay.

Leverages proprietary analysis in search of companies exhibiting strong fundamentals, a high level of market competitiveness, and effective management track record, coupled with near term outlook perceived to be favorable by our research team.

Proprietary Research

> Equity Investment Committee

Portfolio Construction

- Fundamental analysis

## SECTOR PROFILE<sup>3</sup>

<sup>&</sup>lt;sup>1</sup>A concentrated portfolio may experience more volatility due to its limited exposure to fewer assets. Investors should carefully consider their risk tolerance and investment goals before adopting a concentrated strategy, as the potential for both higher returns and increased volatility is inherent in such an approach.
